

The Event:

23rd Annual Ashburn Farm 10 & 5K Races/2K Fun Run

The Date:

Thursday, November 24, 2016
(Thanksgiving morning)

The Cause:

Educating Needy and Vulnerable Students in Uganda, East Africa

The Annual Ashburn Farm Thanksgiving Day 10K/5K/2K has a 23 year history in Loudoun County, growing from several hundred participants to more than two thousand. All proceeds from these 3 races support 85 students living in poverty in Uganda Africa by providing tuition to primary, secondary and vocational schools, plus room and board, personal and academic requirements as well as medical care.

We invite you to be part of this Ashburn tradition and by doing so help us raise funds critical to the ongoing care of these needy and vulnerable kids. Participating as a sponsor of the race presents a unique opportunity to advertise your business to our runners, as well as their families and friends, and in doing so you will have a significant impact on the lives of these 85 students who desperately need your help.

Your support of the 23rd Annual Ashburn Farm 10/5/2K will be instrumental in making a profound difference in the lives of needy and vulnerable kids in Uganda as well as contributing to another very successful race day within our community.

Become a Sponsor
